

# RCH INFORMATION HOLDERS

## Smooth Rounded Corners - Safer for Public Environments

Used by over 400 Transit Authorities throughout the United States & Canada

Designed for use at bus stops, shelters, transit centers or anywhere that transit information is displayed in a public environment - indoors or outdoors.

The RCH Series features an exceptionally rugged all-metal design with hemispherically rounded corners for maximum public safety.

Mounts quickly on round, square or U-channel bus stop poles, walls or shelters.

## RCH Features

- Modular design allows you to post as little or as much info as needed at a bus stop.
- Available with 3, 4, 5 and 6-sided rotating kiosk frames
- 180 custom colors available
- Fully recessed stainless steel tamper-proof cap locking screws
- Rugged aluminum construction with durable powdercoat finish
